

Vienna Central Station – vehicle transport Access to the loading bay

The ÖBB car loading station in Vienna is located about 1.5 kilometers southeast of the main station. Access is via Gudrunstraße.

You can reach Gudrunstraße

- coming from the city center via Arsenalstraße - Gräßlplatz or Wiedner Gürtel - Gertrude-Fröhlich-Sandner-Straße - Sonnwendgasse
- coming from the east via Geiselbergstraße or Landstraßer Gürtel - Ghegastraße - Arsenalstraße
- coming from the south via the B 225 (Wienerberg Straße) - Leberstraße - Geiselbergstraße.

On Gudrunstraße, turn north at the traffic lights at Laimäckergasse (navigation device: "Laimäckergasse 2-6") and follow the signs "Autoreisezug / Auto im Reisezug".

When planning your journey, please bear in mind that there are currently only very limited shopping facilities in the immediate vicinity of the vehicle loading facility.
